Bamber - No, I never heard them
at all Till There Was You . There
were birds in the sky but I never
saw them winging . No, I never
saw them at all Till There Was
You . And there was music and
there were wonderful roses, they
tell me . In sweet fragrant
meadows of da wn, and dew,
There was love all around, but I
never heard it singing, No, I
never heard it at all Till There
Was You. Fri, 13 Jul 2018
